TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Owner, Microsoft Corporation, having an equal and undivided 100% interest in the instant application, hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 7,367,888 ("**prior patent**") as the term is defined in 35 U.S.C. §§ 154 and 173, and as the terms of said **prior patent** are presently shortened by any terminal disclaimer. The Inventors hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and the **prior**

patent are commonly owned. This Agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the Inventors do not disclaim the terminal part of any patent granted on the instant application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 and 173 of the **prior patent**, "as the term[s] of said **prior patent** [are] presently shortened by any terminal disclaimer," in the event that said **prior patent** later: expire for failure to pay a maintenance fee; are held unforceable; are found invalid by a court of competent jurisdiction; are statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; have all claims canceled by a reexamination certificate; are reissued; or are in any manner terminated prior to the expiration of their full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

DATED this 8th day of August 2008.

Respectfully submitted,
